

History 30S

Credit Value: 1.0

Course Description:

Grade 11 History of Canada focuses on citizenship as a core concept and engages students in historical inquiry. Guided by essential questions, students focus on the history of Canada from pre-contact time to the present. Through this process students become historically literate and better able to understand the Canada of today (Adapted from Manitoba Education, Citizenship and Youth)

Throughout the units in the course we will also be focusing on a variety of key themes that are important to understanding and engaging in the study of Canadian history. They are as follows:

Themes:

1. First Nations, Metis and Inuit Peoples
2. French-English Relations
3. Identity, Diversity and Citizenship
4. Governance and Economics
5. Canada and the World
