

# ROLLING RIVER SCHOOL DIVISION POLICY

## Student Transportation – Point of Pick-Up

EEAAD/P

Students will be transported to and from the lane entrance point on the nearest public road except in the following situations.

1. If a student's residence is located on a dead end road and is in close proximity to a main road the student may be required to meet the bus on the main road.
2. Where students' residences are in close proximity, a common pick up/drop off location may be identified by the Transportation Supervisor.
3. When the residence is at a turn around point on the route, the Transportation Supervisor may approve the residence yard as the turn around point.
4. A student is picked up/dropped off at his/her door because of an approved medical condition.
5. If a student has become sick on route, the driver may deliver the student to their residence.
6. When the Transportation Supervision determines there is a safety issue with a lane entrance pick up or yard pick up, an alternate pickup location may be identified.
