

ROLLING RIVER SCHOOL DIVISION POLICY

Kindergarten Program

IH/P

A Kindergarten program is offered to all eligible students on an all day, alternate day basis where enrolment warrants. A student, who qualifies for transportation and chooses to ride on the school division bus, will be required to travel on a regular school bus route.

To be eligible to enter Kindergarten in September, the child's fifth birthday must fall on or before December 31st of that school year.

Presentation of a birth certificate or other satisfactory proof of age shall be required of each child upon admission to the Rolling River School Division. In cases where parents question the physical, mental, emotional and/or social maturity or "readiness" of their child for Kindergarten, it is their prerogative to withhold their child from entry to Kindergarten until the following September. Parents are encouraged to consult with Professional staff for assistance in determining their child's readiness for Kindergarten entry.
