Dear Parent/Guardian:

This morning Rolling River School Division had a drug dog and handler, tour our school. After searching the premises, I am pleased to report no drugs were found onsite. Following the search an assembly was held in the gym to debrief the students, and to give them the opportunity to ask questions.

This type of search will be held on a random basis as part of the Division's initiative to deter drugs being brought into our school and educate our students on the dangers, and potential consequences involved with drug use.

If you have any further questions or concerns, please feel free to contact me at 636-2605.

Sincerely,

Graham Edwards
