September 2011 newsletter

Sports

MCI Chancellors Girls Soccer team has had an extremely successful season so far, competing in tournaments in Winkler and Stonewall, and hosting and winning our home tournament here at MCI October 1. We are Zone 7 League winners, which allows us to represent our zone at Provincials, October 14 and 15 in Winkler, Manitoba. Our success has been a result of dedication and hard work put forth by our team members and coaches Jacki Nylen and Marie Smith. Thanks to all fans and parents for supporting your MCI Chancellors.

The boys soccer team is coached by Glen McNabb and Sean Smith, and participated in the Winkler, Stonewall and Minnedosa tournaments as well. Boys took second place in their zone, and the skill development and hard work was evident throughout the season. The boys soccer team would like to thank all the loyal fans who have come out to the beach to watch games, and to those who also cheered them on during the away games.

Our Cross Country Running team has been practicing early mornings, and the hard work has paid off for our members who chose to compete at Zones on September 29. Breanne Morgan placed first overall in Senior Varsity girls competition, and Justin McKinnon placed fourth in Zone 7. These students competed against 50 other runners in their events, and will go on to compete in Provincials October 19 against literally hundreds of other runners. Strategy and assertiveness will definitely come into play, best of luck to our runners!

MCI Students and staff participated in the Run for the Cure and raised over \$5000. for the cause.

C.H.A.N.G.E.

Minnedosa Collegiate's CHANGE (Citizen's Helping All Nations Grow Equally) group has elected their new executive and volunteered with roadside cleanup this week

Students and staff from MCI will be attending the We Day event in Winnipeg on November 23rd. This conference is dedicated to providing youth with leadership opportunities, understanding global issues and working toward social justice.

The student council has led a number of activities including a grade wars completion (Grade 11 winners), a freshie dance, pajama day, and the ever popular pizza lunches for homerooms that have paid their student fees. The year is off to a great start with tons of enthusiasm and participation.

Progress Reports – Power School

Parents and students are reminded to use the online Power School system. Teachers are inputting assignments, marks and attendance, and the system provides up to date information about achievement and progress in the academic courses.

If you would like the sign-on information sent to you again, please contact Christine Bailey at cbailey@rrsd.mb.ca

TADD

Teens Against Distracted Driving has 38 members signed up for the 2011-2012 school year. Our first activity will take place during Addictions Awareness Week, November 14 to 18. Thanks to generous sponsorship by the Minnedosa Credit Union, Norbert Georget will speak to our school from his perspective as an Ambulance driver and EMT. Grade 9 and 10 members will have the opportunity to participate in a TADD Rookie Camp in Winnipeg, and all members will help plan and participate in activities in our school and community to help raise awareness of the dangers of distracted driving. Our group meets every second Day 5 at lunch time.

ROLLING RIVER SCHOOL DIVISION

BOX 1170, MINNEDOSA, MANITOBA R0J 1E0

EMAIL rrsd@rrsd.mb.ca

To Our School Communities:

The Board of Trustees of Rolling River School Division believes that in order to carry out its educational mandate, ongoing dialogue involving parents, students, staff, elected officials and all other community members is required. To that end the Board of Rolling River School Division has created a "Community Engagement in Education Decision Making" policy. The purpose of this community engagement is to make recommendations to the Board on communication, educational matters, and to promote appropriate communication between the Board and all stakeholders. The most exciting aspect about this policy is its provision for communities and division to meet regularly in order to discuss education. Therefore, the following dates have been set for communities and the school division to meet during the 2011-2012 school year. Please check for the meeting involving your community.

Date	Time	Ward	School Communities	Location
Oct 25, 2011	7:00 PM	3	Minnedosa	Tanner's Crossing School
Nov 22, 2011	7:00 PM	2	Rivers, Oak River	Rivers Elementary School
Feb 21, 2012	7:00 PM	4	Erickson, Onanole	Erickson Elementary School
Apr. 4, 2012	7:00 PM	5	Rolling River First Nations	RRFN Community Centre
Apr 24, 2012	7:00 PM	1	Douglas, Forrest, Rapid City	Forrest Elementary School

These sessions will provide opportunity for the Board to liaise with the community and discuss on-going educational trends and requirements. As well it will require informing the public of the happenings of the School Division and soliciting input from all stakeholders to improve educational delivery.

The Board believes strongly that through this educational partnership and continued dialogue it will achieve a higher level of success in their mandate as outlined by the Rolling River School Division Vision, Mission and Belief Statements. Please visit our website at www.rrsd.mb.ca.

We look forward to spending time with you in discussion about education at the scheduled meeting in your community.

Yours Truly,

Reg Klassen
Superintendent

School bus safety

At this time of the year we would like to remind all students and parents about school bus safety.

Be aware of school bus vehicles.

School buses make frequent stops and it is your responsibility as a driver to stop 5 metres from the bus when the red lights are flashing and the stop sign is extended.
