## New School Year—New Faces

### New Faces

In addition to many new students who have become part of our school this fall, MCI would like to welcome several new staff members: Mr. Dave Uhrnyiuk joins our teaching staff with courses in Math and Science. Mrs. Linda MacDonald is an addition to our Educational Assistant staff. Mr. Patrick Menard has joined our staff as our head evening custodian.

Other new faces in the MCI hallways include two exchange students. Kanokrut Taychapipranai (Ging) is from Thailand and has been placed with our Grade 11 students as part of her exchange through the Foundation for Foreign Study.

Maude Royer is on a Rotary Youth Exchange from France and is attending classes with Grade 12 students at MCI.

### Communication

Please do not wait until Parent/Teacher interviews to find out how your son or daughter is doing in school. Call the school at 867-2794 or e-mail teachers directly—addresses are listed on the school web-page at [www.rrsd.mb.ca/mci](http://www.rrsd.mb.ca/mci)

If you would like to receive school information such as newsletters, upcoming dates, and school notices via e-mail, please call or email Genelle at the office: [gbilcowski@rrsd.mb.ca](mailto:gbilcowski@rrsd.mb.ca)

**Our new looks:**

**online**

You will notice a new look to the MCI website this fall. As part of a school division-wide initiative the new look is designed to give all schools within the division a cohesive look and navigation system. Any feedback you'd like to provide would be appreciated.

**on the ground(s)**

As part of a project started with plans and sketches created by U of M student Alan Rosnes, the east entrance of MCI has a new look. Under the leadership of Mr. Doug Laws, several MCI students helped pour cement and landscape the area. Work is not yet complete in this multi-year project.

**Universal Student Accident Insurance  
School Newsletter Information**

The Board of Trustees of the Rolling River School Division is pleased to provide a Universal Student Accident Insurance Program covering all students registered in the Rolling River School Division.

The insurance covers registered students while:

1. In or on school buildings or premises by reason of attending classes on any regular school day;
2. In attendance at or participating in any school activity approved and supervised by a proper school authority, whether at school or elsewhere;
3. Traveling directly to or from any regularly scheduled and approved school activity under the direction or supervision of a proper school authority;
4. Traveling directly to or from their residence and school for the purpose of attending classes or participating in any school sponsored activity.

Please note that the coverage provided by this plan compliments but does not replace the voluntary student accident insurance that is offered and available through Reliable Life Insurance each fall.

The benefits of the Universal Accident Insurance Plan and information on the Voluntary Accident Insurance plan are listed in detail on the Rolling River School Division website at [www.rrsd.mb.ca](http://www.rrsd.mb.ca) under the Parents heading at Student Accident Insurance link.
