

ROLLING RIVER SCHOOL DIVISION POLICY

Transportation and Accommodations Sport Competitions – Field Trips

EEADA/P

School buses will be used for transportation for sports competitions and field trips.

For groups of fourteen (14) students or less, up to three (3), private vehicles may be used instead of a school bus provided the vehicles are driven by a staff member, an adult community coach or a parent holding a valid drivers license. A 15 passenger or larger van **cannot** be used as a personal vehicle to transport students.

All supervising teachers must have an “**Approval for Private Vehicle**” form completed and returned from each parent approving the child to be transported in a private vehicle. All drivers who drive vehicles transporting students must complete “**Authorization to Transport Students in a Personal Vehicle**” form and provide a copy of the current driver’s license and vehicle registration with it to the School Principal before transporting students.

Drivers who are volunteers (parents, adult community coaches, etc.), must provide personnel records checks as per Policies IICC – School Based Volunteers and Policy GCDA – Personnel Records Checks.

Costs:

The travel costs for transporting students in a personal vehicle for sports or field trips will be paid on a per kilometer basis at the professional development mileage rate.

The travel and accommodation costs for field trips, Junior and High school tournaments, High School Zone/league games and exhibition games will be funded by the school Transportation budget and/or school funds/user fees.

The cost of travel to Divisional Music Festivals and travel to and accommodation at Provincial Championship play will be paid by the Division. Accommodations for Provincial Championship Tournaments must be arranged by the Superintendent’s Department.
