ROLLING RIVER SCHOOL DIVISION REGULATION

Public Participation at Board Meetings

BDDH/R

1. The public may attend a Board meeting as an observer.
2. A resident elector may also make a presentation to the Board of Trustees on a topic of interest or concern by providing a written letter, brief or petition addressed to the Chairperson and Secretary-Treasurer, a minimum of a week in advance of the Board meeting.

3. When are Board meetings held?

Board meetings are usually held once per month, usually on a Wednesday from September to June. Board meetings normally commence at 6:00 p.m. The Board meetings scheduled are posted on the Division Website at www.rrsd.mb.ca under Governance-Board Meeting link.

4. How do I make a presentation by letter?

A letter addressed to the Chairperson and Secretary-Treasurer should clearly explain the topic, problem, concern or complaint. If representation is made by letter, the Board, and possibly a committee, will consider the issue raised and you will be notified by letter as to the disposition of the matter.

5. How do I make a presentation in person to the School Board?

Delegations wishing to appear at a public Board meeting are required to provide their letter/brief/petition in writing.

A letter or brief outlining the topic, problem, concern or complaint for the consideration of the Board should be submitted to the Secretary-Treasurer. This correspondence will be placed in a future agenda package in order that trustees have adequate time to review the material prior to the Board meeting. Applicants will be advised of the appropriate time and date.

6. How long may the presentation be?

Since Trustees will have your letter/brief prior to the meeting, the presentation should be as brief as possible and up to 15 minutes. Additional time will be allowed in order that Trustees may ask questions for clarification.

7. What specific information is required from the delegation?

The delegation (group or individual) will give his/her name, and/or identify the group for which he/she is speaking. The name and address of the spokesperson or group representative is required for correspondence purposes.

8. May Trustees comment, in agreement or disagreement, with the speaker?

The Board members will only ask questions for clarification. Members of the Board are without authority to act independently as individuals in official matters. The

Board will discuss the presentation at that meeting, or at a future meeting of the Board should they require more time to consider the matter.

9. Is my letter or brief distributed to the public when I bring a concern/suggestion to the Board?

No. This is the prerogative of the writer.

10. Can any individual obtain a copy upon request?

If a delegation wishes to make their brief available to the news media or to the public, it will be made at their own discretion.

However, once the letter or brief has been formally presented to the Board it becomes the property of the Division and copies may be released in accordance with Division policies.

11. How soon will I get a response after I've made a presentation to the Board?

Following the regular Board meeting at which a decision is made, the decision will be communicated, in writing, to the spokesperson/representative.
